Dear Mr. Takahashi,

RE: THANK YOU FOR RS. 200,000/- DONATION FROM KURARY INDIA PVT LIMITED

On behalf of the United Nations Women's Association Kindergarten, Executive Committee and membership I would like to thank the Kuraray India Pvt. Limited for your most generous donation of RS. 200,000 to the UNWA KG.

We were very honored to welcome you and your team at the UNWA KG for the handover of your very generous donation. Receiving you today, was a very apt celebration of the return to physical classes, as we instil in the children the love of learning to set a foundation for their future. This donation supports our efforts to build resilient communities through education for the ultimate benefit of India.

Thank you again, in the mean we remain.

Sincerely,

Dr. Anne Mburu-de Wagt
